Privately Held Business

From family-owned businesses to entrepreneurial startups to mature companies, privately held companies today face increasingly complex challenges in the quest to grow in size and profitability.

How to grow beyond traditional markets, how to diversify product lines, how to market and sell products abroad - these are among the myriad questions that business owners deal with every day. GT Reilly & Company helps privately held businesses meet the challenge of doing business in the 21st century.

Our clients operate in a wide variety of industries:

- ◆ Distribution
- ◆ Manufacturing
- ◆ Professional Services
- ◆ Real estate development and operation
- ◆ Retail
- ◆ Technology
